## ***Short CV:***

Martin Gabernig was born in 1988 in St. Veit, Austria. He completed his Bachelor's and Masters's studies in Business Development & Management in September 2020. Afterwards, he started as Talent Attraction Manager for Infineon Technologies Austria AG, responsible for the recruiting for the Automotive- and IT-department.

## ***Abstract:***

### **Mission Future**

In the frame of the Important Project of Common European Interest (IPCEI) on Microelectronics, Infineon Austria supports young talents to achieve the goal of a more efficient, secure, and greener future. Our various student programs are an excellent opportunity to gain experience in an international expert environment of a global company, expand existing competencies, and acquire new skills while staying at the university and country of your (or student's) choice.
